Office of the Muzrai Commissioner in Mysore,

Dated, Bangalore, the 10th January 1923.

From

K.R. Srinivasiengar, Esq., M.A.,
Muzrai Commissioner in Mysore.

To

63-7-24

K. Matthan, Esquire, B.A.,
Chief Secretary to the Government
of His Highness the Maharaja of Mysore.

Sir,

C With reference to your letter No.0.2070/G.M.42-22-3 dated the 10th October 1922 in re the revision of the menial establishment of this office, I have the honor to state that in the statement (preliminary) enclosed therein, a strength of 13 menials is shown as serving in this office, of whom 5 are stated to be on office duty and it is suggested that these only may be retained, the remaining eight being brought under reduction. On the other hand the number actually sent from the combined office of Muzrai Superintendent and Secretary to this office on its formation is only 10 (one dafterband, one mutchi, one daffedar, two watchmen, one mashalchi and four peons). The first two cannot be considered as coming under the purview of Government Order No.1629-92/G.M. 42-22-1 dated the 11th September 1922 as their work is of a special nature. The two watchmen will not be available for general office work as their work consists of guarding the office during nights. Excluding these, there are only 6 menials attached to the office. For reasons explained in my letter No. C 1099/22-23 dated 11-1-1923 to Government regarding the menial establishment of the Revenue Commissioner's office, three will be required for personal attendance on the Assistant attached to the office as he is mostly employed on Muzrai work and it is therefore not proposed to give him any menial establishment from the Revenue Commissioner's office staff, and there will be left only three for attending to the office work.

B

2. In this circumstance, I beg to state that it is not possible to effect any reduction in the menial establishment of the office.

3. I may add that of the 10 men of the menial staff, 7 are paid from State funds, while the remaining three are being paid from general Muzrai fund and are attached to the Engineering section of the office.

4. A statement showing the cost of establishment on the basis of the revised salaries is also appended.

I have the honor to be,

S i r,

Your most obedient servant,

Muzrai Commissioner.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

GENERAL AND REVENUE SECRETARIAT

Bangalore Dated 10th October 1922

No O 2070 /G M 42-22-3

From

K. MATTHAN, Esq, B A.
Chief Secretary to the Government of His Highness the Maharaja of Mysore

To

Sir,

With reference to para 6 of the Government Order No 1629-92 44-22-1 dated the 11th September 1922, I am directed to forward herewith preliminary statements prepared in the Secretariat on information available here in regard to the reduction of the menial establishment of the department under your control, and to request you to be so good as to submit very early for the final orders of Government, your proposals together with the necessary statements, showing clearly in full detail, the number of peons required for your department in accordance with the principles enunciated in the G. O. referred to above, and an estimate of approximate cost on the basis of the revised salaries sanctioned in the said order. The matter may kindly be treated as urgent

I have the honor to be,
Sir,
Your most obedient servant,

for Chief Secretary to Government

Letter No.1099 dated 4th January 1923 from the Revenue Commissioner in Mysore, to the Chief Secretary to Government of His Highness the Maharaja of Mysore.

With reference to your letter No.C.207/G.M.42-22-3 dated the 10th October 1922, requesting me to submit a note showing in detail the number of peons required for my Department in accordance with the principles enunciated in G.O. No.G.1629-92/G.M.42-22-1 dated the 11th September 1922, I beg to state as follows :-

2. The existing menial establishment of my office consists of a Jamadar, a Daffadar, 2 Matchis, 1 Dafterband, 1 Lascar, 1 Watchman and 16 peons or 23 men on the whole and not (27 as shown in the preliminary statement received with your letter under reply). The two matchis, the dafatar band the lascar and the watchman do not come under any of the categories of work contemplated in the G.O. No.1629-92/G.M. 42-22-1 dated 11th September 1922 as their work is of a special nature. Thus, only 18 men are available for general work in the office and at residences. With regard to clause (g) of para 3 of the said G.O., laying down that Headquarters Assistants to Heads of Departments may be allowed one peon each for work at home, I beg to state that in Bangalore which is a city of long distances, this rule is not workable. Menials attend usually by shifts of 8 hours. It is therefore very necessary to allow my First Assistant (i.e., the Revenue Assistant) three peons for work at his residence, so that at least one peon may be available at all hours of the day. I hope it is also not too much to ask that the Revenue Commissioner should have at least 6 peons at his residence - so that there may be 2 men at a time which is the minimum required if he is to attend to urgent communications and office work at home. At least 6 peons will be required for attendance at the office daily - to

to wait on the officers and to attend to the office work including carrying of office tappal etc., Thus a minimum of at least 15 peons will be required if the office work is to be attended to properly and without prejudice to efficiency. This does not include the menial staff required for the 2nd Assistant which will be met from the establishment of the Muzrai Commissioner's office as he is chiefly employed on Muzrai work.

3. In this connection, I beg to urge that the menial establishment of my office has already been reduced more than once. The establishment which originally consisted of 32 men was reduced to 30 men in G.O.No.G.6620-45 G.M.236-07-1 dated 13th May 1908. It was further reduced by me by two men in August 1908, with a view to meet the cost of raising the pay of the menials in view of the abnormal rise in the prices of necessaries of life (Vide G.O.No.R.1954-5 L.R.413-17-4 dated 2/6th August 1918). Again, very recently, a further reduction of the strength of the menial staff by 5 men, resulting in a saving of Rs.650 per annum has been ordered by Government at my instance in their order No.R. 1150-1 /L.R.44-22-3 dated 23rd August 1922. It will be thus seen, that even without any reference by Government, action has already been taken by me and orders of Government obtained for a considerable reduction in the menial staff of the office. The proposals which I have detailed in para 2 above and which are embodied in the statement herewith attached, will result in a further reduction of the menial establishment by 3 more hands, and as this is the utmost limit to which it can be reduced without prejudice to efficiency, I request that it may be approved and sanctioned by Government.

4. A statement marked B. showing full details of the establishment proposed to be retained and the cost thereof, is also appended as desired by you.

5. As regards the reduction of the menial establishment in the District offices, the proposals of the Deputy Commissione have been called for and they will be forwarded to Govt. as soon as they are received from them. (sd) K. R. Srinivasacharya
